

Welcome to our licensed farm restaurant.  
Everything you eat and drink here is organic -  
apart from the fish and venison which are wild  
and sustainably sourced.

The meat is prepared in our on-farm butchery.  
We use our own eggs and our own seasonal soft  
fruit and vegetables. We bake our own bread.

All the food is freshly prepared right here. We  
always have vegetarian options and cater for  
different dietary requirements - please ask.

Unfortunately, we cannot guarantee nut free  
food as nuts are used in the kitchen. Please note  
that the fish may contain bones.

## OCCASIONAL TABLES

On the first Friday of every month we open  
the restaurant in the evening.  
Booking is recommended.

## PRIVATE PARTIES

Please ask about hiring our restaurant for  
private parties and our home catering service.  
You can also hire our Tipi for children's parties.

**Many thanks for eating here and
